

50 GREAT PORTUGUESE WINES

by Doug Frost
MS MW

Master Sommelier and Master of Wine Doug Frost has revealed his hand-selected line-up of 50 Great Portuguese wines. We congratulate these winners, which showcase the range and diversity of Portugal's wines. If you're unfamiliar with Portuguese wines, you're in for a big surprise. Recently there has been a revolution in Portuguese winemaking. Portuguese wineries boast the latest in modern technology, the strictest quality control standards, world-class winemakers and well-made wines that can compete anywhere in the world. What's more, Portugal can offer excitingly different flavors thanks to its unique range of indigenous grape varieties.
